

About 20 people responded to the first attempt to revive and expand the McGinnis Family Reunions. If you are planning to go and haven't yet responded, or are trying to decide, we encourage you to join us.

As it's the first try at this, the theme is:
"KISS - Keep It Simple, Stupid"

What to Bring:

- ✓ Yourself and your guests
- ✓ Anything you might want to grill
- ✓ A dish to share
- ✓ A dessert to share
- ✓ Any photos you would like to share (I will have a scanner and computer with me to scan anything you want to bring)

What will be provided:

- ✓ Some pop, water, and coffee (feel free to bring extra!)
- ✓ Charcoal
- ✓ Table coverings, paper plates, napkins, and silverware
- ✓ I've been told there is a refrigerator and sink at the pavilion, which is handy
